Open that wallet. Now.
Get the credit card in hand
and book a flight to Spain.
Wait for the next connect to
Palermo. I'll see you at the gate.
Tell them you're handicap --
they'll wheel you through like
the legend King you are.
Your girlfriend can wait.
Be a man or be a mouse.

The ferry leaves Genova.
The sea remembers your name.

basically a floating apartment.
I got MAX on the coast and the

themselves. Scan the QR --
that's where we're going.
Get the card out or stay home

and let me down. 366 excuses --
your number is up.
This is your last chance before
they nuke the world. Enough talk.
Check the ferry days. Call Sylvken
on Telegram NOW. Grab her in
Beckenried. Load the kayak.
Through the Gotthard. Genova.
Rock on, roll off. I got the rest.
No more excuses. Pharma karma.
