

# 1 THE RECKONING

A MESSAGE FROM SICILY

**3 days** in the white room.

**7 days** drugged into silence.

**Christmas Eve** — I walked out  
your gates.

## SHITLIST: YOU'RE #1

*You gave me no shit tickets,  
So I wiped with your diagnosis.  
The shitlist has your name on top,  
Nuremberg 3.0 approaches.*

Now **Sicily** holds the archive.

**Monte Cofano** guards the truth.

The Spartans are assembling.

The band is back in tune.

**Arrivederci, Doctor.**
