

The colours we see are reflected light — not the actual colour of the object.  
What you absorb defines you more than what you reflect.

PUNTATIPA

# Oranges are blue.

— FOLD HERE —

Room°101 | Oranges Are Blue

PUNTATIPA  
Trapani, Sicily  
38.03°N 12.53°E

*"What you keep inside is your true colour. What you show the world is just the light you couldn't hold."*
