

Earn More

Without Working More

Vending Machine At Your Location

What You Get

Extra Income — Percentage of every sale, every day, even at night

Zero Cost to You — We bring the machine, we supply the products

Zero Extra Work — You do your job, the machine works by itself

Your Customers Buy More — Snacks, drinks, products while they wait

How Does It Work?

We install a vending machine at your location. You provide the space, we provide everything else. Every month you receive your percentage. Simple.

Restocking?

Your choice: do it yourself (5 min/day, earn more) or we handle everything. Either way, we monitor remotely.
