

Go-Live Intake — what I need from you

~15 minutes. This is everything I need to build your shop and book your go-live Monday. — Angelo

 **How to use:** answer each box — **type**, or tap the  and just **talk** (pick your language top-right). Everything **auto-saves in this browser** — close it, come back, your answers are still here. When you're done, hit  **Copy answers** and paste them back to me on WhatsApp/Telegram. Don't know one? Leave it — we'll fill it together over coffee.

Shop:

Artemis, Luzern

Your name:

Felix

Date:

dd/mm/yyyy

Best contact:

phone / WhatsApp

1. Your shop, on the receipt

Legal name + the address you want printed on the receipt — exactly as it should appear

type or tap 

MWST / VAT number

type or tap 

Anything else on the receipt footer? — phone, "Danke", opening hours...

type or tap 

2. How you do it today

What till / POS do you run now? (brand)

type or tap 

What does it do well (keep)?

type or tap 

What annoys you (fix)?

type or tap 

How do numbers get into Banana today — type them, or export? Which figures?

type or tap 

3. The day's shape

How many cashiers / people ring sales?

type or tap 

A typical day: roughly how much cash vs card / TWINT?

type or tap 

Do you take anything else? — vouchers, account, deposit...

type or tap 

4. Hardware (what's on your counter)

Till device — PC, tablet, phone?

type or tap 

Receipt printer — model + how it connects (USB / network / Bluetooth)?

type or tap 

Barcode scanner? (or phone camera)

type or tap 

Cash drawer?

type or tap 

Label printer — what do you stick on a product, on what? — thermal label + size, or A4 sticker sheets

type or tap 

5. The catalogue

Can you get me a current Mozy export (products + prices)? When?

type or tap 

Roughly how many products?

type or tap 

Anything sold by weight / loose / no barcode?

type or tap 

6. Your members (the CRACKs)

Is the member/loyalty list anywhere I can import, or start fresh and seed as they shop?

type or tap 

7. The date

Which Monday do you want to go live? — a clean week, your call

type or tap 

A quiet stretch the week before for a 3-day parallel run alongside the old till?

type or tap 

That's it 🎉

Tap  **Copy answers** above and paste them back to me. With this I build your shop on the sandbox, load the catalogue, and we sit down so you can throw every weird case at it before we flip the switch.

Mic ready (Chrome/Edge). First tap asks permission.
